Material/ tipo

Body: white painted steel (close to RAL 9010).
Louvre: mirrorbrite, satinbrite or white painted aluminium.
Diffuser: acrylic or PETG prismatic panel.

Instalación/ montaje

Designed to be quick and easy to install either parallel or at right angles to the ceiling grid. Can be mounted from below or laid in, dependent on the ceiling type. Mini-wedge brackets required when mounting from below (sold as an accessory). Suitable for plasterboard, 12-65mm concealed grid and 15 or 24mm tee grid ceiling systems, diffuser versions suitable for lay-in only into 15 or 24mm tee grid ceiling. Louvre retention for ease of lamp replacement.

FR: Fast versions complete with lamps, plug in electrical connection, removable transparent film and steel wire safety cord.
DA:NO:SV: Quick versions complete with lamps and fitted lead.
